PICTORAL PATTERN PARADE  
BY John & Lucile Britt

FASHION BREAKFAST SET IN PURPLE

Due to its unusual shape, the very graceful and beautiful "Fashion" Sugar & Creamer has always been one of my favorite breakfast sets. This is the first one of these that we have ever owned in purple.

A few years back we did find a lone creamer at a flea market in Florida, but that was as close as we ever came to owning a set in purple. Any piece of "Fashion" in the purple color is actually very hard to find. In most patterns, Imperial did not make much purple, but when they did it was usually outstanding in color and iridescence. This set is no exception to that rule.

In addition to the purple color, these sets were also made in helios green, smoke, and of course, in the more common marigold. It is quite likely that they were also produced in clambroth and amber, since Imperial did make a lot of carnival glass in both of those colors.

While Northwood is considered as the King of the pastels and Fenton was the top producer of red carnival, Imperial was certainly the leading maker of amber, clambroth, and smoke. With the exception of marigold, these little breakfast sugar & creamer sets are all difficult to find. A set in helios green is extremely hard to locate. We believe that it would be well worth your time in searching for one of these sets in any color.

**EDUCATIONAL TUMBLER SERIES**

By John & Lucile Britt

**CHATELAINE - A FANTASTIC TUMBLER**

For sheer beauty in shape, design, color and iridescence, the "Chatelaine" Tumbler rates very high on any tumbler collectors list. Mr. Richard Owens, in his fine carnival glass tumbler book, rates this tumbler as one of the top ten tumblers in the field. I would probably not crowd it into my top ten favorite tumblers, but I believe I could find room for it in my top twenty.

"Chatelaine" is considered an Imperial tumbler. The outstanding deep purple color and super iridescence are characteristics for which Imperial is so well noted. The "Chatelaine" pattern has been reported only in the purple color. I have dreamed of finding one of these little gems in marigold, but so far my dream has never come true. Most tumbler collections contain one of these in purple, and one will come up for sale occasionally. Even so, this tumbler in perfect condition, will usually demand a price of about three hundred and fifty dollars.

"Chatelaine" tumblers are slightly taller than most of our carnival glass tumblers. They have a ground base which was done at the factory in order to make them set level on the table. The water pitcher in this pattern is equally beautiful and most desirable. Only seldom will one of these pitchers show up for sale.

This is #96 in our Educational Tumbler Series. Next month we will cover the very rare "Cone & Tie" tumbler.

**TAMPA BAY CARNIVAL GLASS CLUB**

The Tampa Bay Carnival Glass Club held its Annual Christmas Party at the home of Shirley and Maurice Conyers in Madeira Beach.

Following a festive buffet (including punch served from Shirley's Banquet Grape and Cable Punch Bowl) a brief business meeting was held. Art Smith reported that plans for the Fifth Annual "Lose Your Heart To Carnival Glass Jamboree" to be held February 13, 14, & 15, 1986, in Lakeland, Florida, were in high gear. Reservations for selling tables are ahead of 1985's Jamboree and all indications are for a higher attendance.

Tom Burns has reported that he is bringing a super auction from Florida. Such items as an Age Herald Plate and a Wishbone Pitcher will be offered.

For information about the Jamboree, call or write, Art Smith, 4535 Holder Ct., Lakeland, Florida, 33803 - phone: (813) 644-4058.

Janet Knechtel, Canada, was a surprise guest at the party with husband,

Glen, and said she will be back for the Jamboree in February as, "it is about the best carnival glass gathering there is."

Hope to see your here, too.

Arthur I. Smith

#### AIR CAPITAL CARNIVAL GLASS CLUB

Our December meeting was held in Derby, Kansas, with 13 members present for the meeting and Annual Christmas Dinner. We had a wonderful day for it and glad many came, as it is one of our most important meetings of the year.

John and Lucile Britt were able to attend and they gave a program at the end of the meeting. They had some rare and beautiful pieces to share with us. Some other members also brought some unusual pieces to show and tell us about. We have tried to have an educational portion at every meeting and it has proven very useful to many of us. We all have learned a great deal from these programs.

Of course one of the important parts of the December meeting is the Election of Officers for the coming year. They are as follows:

President.....Frank Spangler  
Vice President.....Steve Guthrie  
Secretary.....Donald Kime  
Treasurer.....Roland Kuhn  
Historian.....Wilma Elder

We would like to invite anyone and other clubs to send us articles to appear in the newsletter. We are unable to print pictures but would like to hear from you with your new finds and a description so we can pass it on for everyone. We also invite anyone to come to our meetings anytime you would like. We have meetings the second Sunday of each month at 2:30 P.M.

Donald E. Kime, Secretary

#### NEW PHILADELPHIA AUCTION

It was an enjoyable trip after being kept close to home for several weeks while Byron's broken foot repaired itself - he just now has resumed his daily walks - so that is a special gift to us at Christmas time. We do look forward to 1986 with high hopes it will bring some beautiful and rare items as it has every year for some lucky persons.

Tom announced a March Auction in Ohio so we shall cheer ourselves through the winter as we look forward to it.

Grace and Byron Rinehardt

#### SAN DIEGO COUNTY CARNIVAL COLLECTORS

Our first annual Christmas Party was one to be remembered. Forty-one reservations were made for the Sunday, December 1, luncheon meeting. Nine members of the Southern California Carnival Club came down to join the festivities with us and we are happy to report, joined us also in membership. They are: Angie Cash, Mollie Keith, Don Clark, Jack Beckwith, Bill & Valerie Light and son William.

In addition to sharing a lovely meal, many prizes were awarded. Four pieces of carnival, five table centerpieces, consisting of potted poinsettias and green plants were raffled off. Thirteen other non-carnival prizes were awarded, as well as 32 "grab box" prizes. Non-carnival prizes were graciously contributed by Gerry Brown, Angie Cash, Sponslers, and Frys.

Helen Ouellette presented a fine program on her red carnival glass. Angie brought red carnival to share also. Holly, Poinsettia, Pine Cone and Stag and Holly patterns were on display and discussed in keeping with the Holiday theme.

Thanks go to Erma Shaputis and Dee Sponsler for contributing this months carnival prizes and to the Lights for donating a marigold bowl to be used at the March 16 meeting for door prize.

After much discussion on the subject of meetings, the group decided to meet quarterly in 1986 on Sundays at La Jolla Village Inn for luncheon. Our March meeting will concern Millersburg patterns. Please bring yours to share. The other meeting dates will be June 15, September 21, and December 7.

Dean and I would like to say that without the dedication and congenial cooperation displayed by this San Diego group of some 36 people (you each know who you are), this fine new club could not have become the cohesive group it is in six short months. The volunteer effort is a joy to behold. The ready support of so many from the Los Angeles area is gratifying beyond words. We truly thank you all for your help.

It would be nice to hear from any carnival collectors in other clubs who may be interested in attending our meetings or joining us in membership. You are most welcome! I will be accepting reservations for the March 16 meeting until March 10. Entree will be London Broil @ \$13.50

#### CREATION OF WOMAN FROM THE RIB OF MAN

She was not made of his head to top him; nor out of his feet to be trampled upon by him; but out of his side to be equal with him; under his arm, to be protected; and near his heart to be beloved.

#### A NOTE FROM THE EDITOR

In the "For Sale" Section there are several people advertising a Persian Medallion "Hair Receiver." I believe these are no doubt rose bowls.

## \*\*\* 1985 H.O.A.C.G.A. SOUVENIRS BELL \*\*\*

In 1985 H.O.A.C.G.A. decided to make a series of 4 Souvenir Bells - each different bell would feature a Portrait of a Famous Maker of Carnival Glass.

The first bell, which was made as the 1985 Souvenir, has a portrait of HARVEY NORTHWOOD during the time he was heavily engaged in the production of Carnival Glass. The beautiful circle scroll pattern is used for the balance of the bell pattern. The bell is Red, made by Fenton, and contains the H.O.A.C.G.A. logo and Fenton trademark.

In 1986 the bell will feature the portrait of FRANK L. FENTON, one of the founders of the Fenton Art Glass Company. We will follow with the JOHN FENTON, founder of Millersburg Glass Company and a prominent person of Imperial Glass Company.

It is our belief that this souvenir will make a beautiful and collectable piece of Carnival Glass in addition to honoring those responsible for the making of our favorite glass. We hope you will enjoy and appreciate this souvenir.

A few of the Harvey Northwood Souvenir Bells are still available at \$35.00 each plus \$2.50 postage. Don't miss out on the first of these bells.
