# CARNIVAL GLASS AUCTION

## Saturday, April 28, 1979

### 10:00 A.M.

**Holiday Inn Mission-Overland Park  
7240 West 63rd Street  
Overland Park, Kansas**

Selling the carnival glass collection of Wilson Reed of Arkansas City, Kansas, and two extremely rare Millersburg pieces which were discovered by another collector in Ohio.

Wilson Reed has been an avid carnival glass collector from the time he discovered that it existed! He started as almost all collectors do — gathering bowls and other more common pieces. From that start he constantly upgraded his collection as his knowledge and “addiction” grew. He has often sold pieces from his collection, but only because he had found another piece he liked better (as most collectors do).

Now, for personal reasons, Wilson has decided to sell his entire remaining collection, except for just a few pieces. This is truly the “cream” of the carnival glass he has owned. You will have an opportunity to purchase some truly gorgeous glass without spending the time and traveling the miles that Wilson has in putting together this collection.

If you haven't already, make plans now to attend this choice auction and take part in the Heart of America Carnival Glass Convention which runs from April 27th to April 29th. For motel reservations, call the Holiday Inn at 913-262-3010. For more information about the convention, call Cooley Miller at 816-741-4635.

**Terms:** Cash. Checks accepted with proper identification.
