### The Tom and Ann Bumpass Collection :

Seeck Auctions is pleased to be selling the Tom and Ann Bumpass collection at the HOACGA convention this year. Tom and Ann are awesome people who loved the glass and the people that went with it. Tom and Ann loved collecting a wide variety of glass including Millersburg, Red, Decanter Sets, Punch Sets, Frogs and many

other fabulous pieces that enticed them. Let's enjoy getting together at the convention, learning about the glass, buying and selling and having a great time. If you can't make it to the auction, you may bid online through HiBid either before the auction, during the auction or we can get you on the phone for live bidding on items \$500 or higher.

We want to welcome our new employee CHASE MARQUIS to Seeck Auctions. Chase knows the glass! Do not hesitate to call or email him about buying or selling glass.
